

Flemington Lane

Apartments : 400 units
Type : Timber/Alu-Clad
Location : Balbriggan
Contractor : Ballygowan
Developments Ltd.
Architect : Fingal County
Council Architects

“We used NorDan’s timber villa range on the first phase of over 400 houses which went extremely well, and we are using NorDan timber and NorDan aluclad on the current phase. Their product is excellent and their installation team were very helpful on site.”
